## YONGE & MAJOR MAC

### How to read your Route Navigator

The top row of your schedule shows all major bus stops along your route. There may be other stops serviced by this route, but they are not shown due to space limitations. Use the Schedule Finder on [yrt.ca](http://yrt.ca) or call us for more bus stop information.

Each bus stop in York Region has a unique four-digit bus stop number assigned to it. These numbers are posted at your bus stop and appear in schedules with the bus stop name. Your bus stop number can be used to quickly access schedule and real-time information online, by phone, or by emailing [RideNow@york.ca](mailto:RideNow@york.ca) with your bus stop number in the subject line.

## B

The second row of each schedule shows letters that correspond to major bus stops along your route. Use these letters to help you locate your stop on the Route Navigator map.

If a symbol or small letter is shown, a special note applies for this stop, trip or specific departure time. Please reference the schedule notes displayed at the bottom or to the side of the schedule.
