Welcome to YRT, **Mobility Plus**

This guide provides you with everything you need to know about travelling on Mobility Plus.

Please review this booklet to help prepare you for a positive and safe experience when using Mobility Plus service.

Mobility Plus is York Region's door-to-door, shared ride, accessible public transit service for people with disabilities who cannot travel on conventional transit for all or part of their trip. Mobility Plus provides door-to-door transportation to specific locations, or in some instances, to a bus terminal or stop.

Mobility Plus is public transportation and should not be confused with private or medical transportation. Clients are designated a vehicle and will be required to travel with other passengers.

Mobility Plus will take you to any location within York Region. Trips are scheduled to allow for travel time between stops. Travel times are comparable to the conventional bus routes. Please allow yourself enough travel time to reach your destination.

Our Mobility Plus Customer Service staff will answer any questions regarding the service. Call Customer Service at 1-866-744-1119 or email mobilityplusfeedback@york.ca with your questions.

Contact us

Mobility Plus service hours:

Monday to Sunday (including statutory holidays)
5 a.m. to 3 a.m.

Contact Centre hours:

Monday to Sunday (closed on statutory holidays)
7 a.m. to 7 p.m.

Clients can access the Interactive Voice Response (IVR) and/or mobile app 24 hours a day. The web-based booking is located on the Mobility Plus webpage at yrt.ca.

These tools allow you to book, confirm and cancel your trip 24 hours a day, seven days a week with no wait in the Contact Centre queue.

Local: 905-762-2112

TTY local: 905-787-0577

Toll free: 1-866-744-1119

TTY toll free: 1-866-276-7479

Mobility Plus Traveller's Hotline

For customers travelling between 5 a.m. and 7 a.m., 7 p.m. and 12:00 a.m., and on statutory holidays who need assistance, please call the Traveller's Hotline at 905-762-2963 or toll free at 1-877-660-7587.

For customers travelling between 12:00 a.m. and 3 a.m. who need assistance, call the after hours line, 1-877-464-9675 ext. 76005.

YRT Customer Service Contact Centre

If you are travelling on YRT conventional service and need assistance with trip planning, YRT Customer Service can assist you.

Contact Centre hours:

Monday to Friday

7 a.m. to 7 p.m.

Saturday, Sunday

and holidays

8:30 a.m. to 4:30 p.m.

Local: 905-762-2100

Toll free: 1-866-MOVE-YRT
(668-3978)

TTY local: 905-881-5167

TTY toll free: 1-866-276-7478

Fare information

All passengers must pay full YRT fare each time they board a YRT or Mobility Plus vehicle. If using cash, please pay with exact change as drivers do not carry change.

Fare payment method	ADULT	YOUTH ¹	SENIOR ²	CHILD ³	EXPRESS ⁴
PRESTO or Pay app	\$3.75	\$3.00	\$2.35	\$2.35	\$4.25
Cash	\$4.00	\$4.00	\$4.00	\$4.00	\$4.50
Monthly Pass	\$150.00	\$117.00	\$63.00	\$63.00	\$171.00

Prices effective July 1, 2018. Fares are subject to change. No refunds. Visit yrt.ca for complete fare information.

Fare categories

- Youth are ages 13 to 19 and must present a valid high school ID
- Seniors are ages 65+ and must show proof of age
- Children are ages 1 to 12. One child between the ages 1 to 5 may ride free with a paying adult. Children under one ride free
- To ride Express with an adult, youth, senior or child fare, add 50 cents

Fares and fare collection

At any time during transportation on board our vehicles, YRT Enforcement may ask you to produce proof of payment. If a fare is not paid, you can be fined \$155.00.

Using the service

Inclement weather

Mobility Plus will never cancel service in the case of inclement weather. Services may be modified depending on the severity of the weather.

To ensure the safety of both the driver and passenger, clients must ensure all snow, ice and other debris have been cleared to produce a clear path to and from the first accessible door of the residence.

If the street is not clear of snow and ice, and it is not safe for the vehicle to travel, the client will be contacted by Mobility Plus of the trip cancellation.

If York Region Catholic and District School Boards cancel buses, clients may cancel their trip with no penalty up to 30 minutes before the scheduled trip.

Mandatory Support Person

A Mandatory Support Person is recommended under these conditions:

- ▶ If the passenger is unable to be left alone
- ▶ If the passenger is unable to travel independently beyond the door of the pick-up or drop-off location
- ▶ If the passenger cannot maneuver his or her wheelchair on his or her own
- ▶ If the passenger requires supervision on board the vehicle during transport
- ▶ If there is a risk of the passenger leaving the vehicle while the driver is escorting other passengers to and from the vehicle
- ▶ If the medical professional has deemed on the application that the client requires an attendant

All Mandatory Support Persons travel at no charge, but must board and disembark at the same location as the passenger, and travel with the passenger at all times. Mobility Plus drivers are not Mandatory Support Persons.

Mobility Plus passengers cannot be a Mandatory Support Person for another Mobility Plus passenger.

Support Person Card

The Support Person Assistance Card is a photo card that identifies the cardholder as a person who, because of his or her disability, needs to be accompanied by a support person some of the time. A support person is someone who assists the cardholder with communication, mobility, personal care/medical needs or with access to goods, services or facilities some of the time. The Support Person Assistance Card permits a support person to travel on YRT with the eligible fare-paying passenger (cardholder) at no additional cost. A cardholder may travel with different support persons at different times. Additional companions must pay a fare.

Passengers with disabilities who travel with a support person on YRT must download the application at yrt.ca/supportpersoncard or contact Mobility Plus and an application will be mailed out. The card is valid for a maximum period of three years and must be renewed upon expiry.

Companions

Each eligible passenger can travel with up to two companions if there is space available, and they must pay a fare. Clients must mention at the time of booking if their companion travels with a mobility aid. Mobility Plus will not transport clients who are not pre-booked for a trip.

Policies and procedures

Hand-to-Hand Clients (MP-1D)

Clients that are approved to travel to day programs or work placements can travel hand-to-hand with approval from the health professional that filled out the application form. Hand-to-hand passengers must be handed off to the driver from the door of the residence and handed to the staff at the day program or work placement. If the family wishes to waive the hand-to-hand at the home only, please contact Mobility Plus Customer Service and a waiver will be sent to the family.

Mobility devices

The Canadian Standards Association is responsible for developing and enforcing accessibility requirements for transit vehicles.

Mobility Plus can accommodate the following mobility devices and wheelchairs:

- Weighs no more than a combined weight of a maximum of 318 kilograms (700 lbs.). Mobility devices exceeding the rated capacity of vehicle lifts or ramps may be denied access if they create safety or mechanical concerns
- The device must be able to fit on the ramp/lift and within the securement area, so it does not block the aisle or interfere with an emergency evacuation
- Mobility Plus does not transport empty mobility aids

If you use a mobility aid or wheelchair, please ensure it is clean and in good working condition. It is the passenger's responsibility to ensure that there are no loose or broken parts and both foot rests are attached to the wheelchair. Transportation may be refused if the mobility aid or wheelchair is unsafe (until it is inspected by a Mobility Plus Inspector).

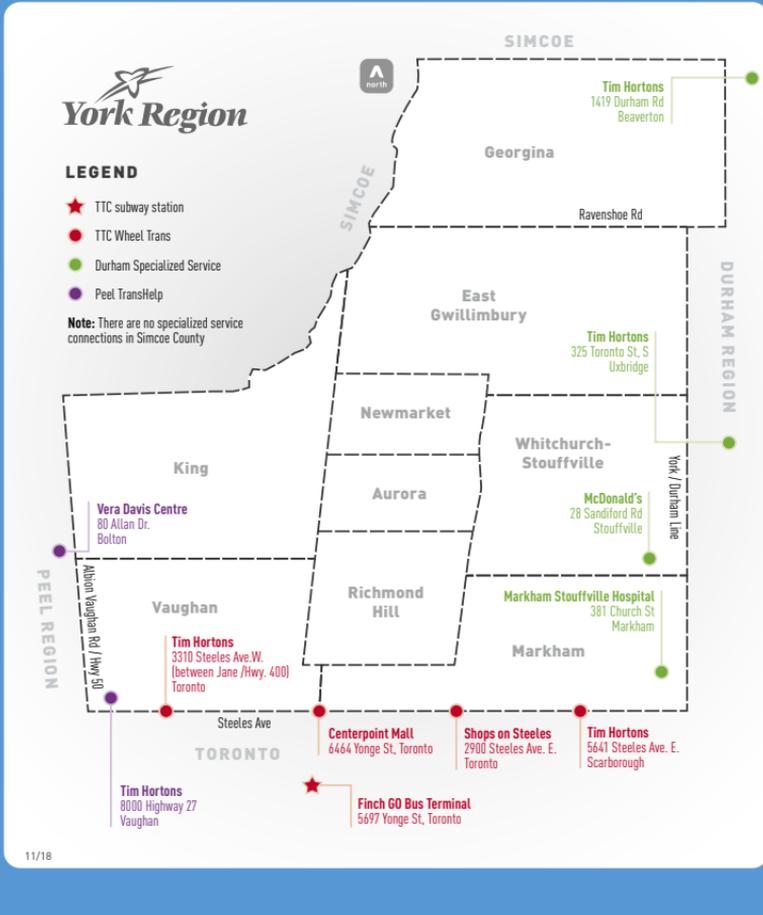

Service animals and pets

Passengers using a service animal or bringing a pet on board a vehicle are responsible for the animal and will be held liable for the behavior of the animal. Service animals will sit on the floor of the vehicle and are not allowed on the seats. Pets will be transported in a carrier and must be handled by the passenger only. The passenger must inform the Trip Reservationist at the time of booking if they are travelling with a service animal or pet.

Shopping

Passengers have a four shopping bag limit to a maximum of 10 lbs each. This is to ensure there is space for other passengers when travelling. Drivers will not be assisting with large or heavy shopping items; please make alternate arrangements.

Mobility Plus Transfer Points Map

Cross boundary travel

If passengers wish to travel into Toronto, Peel or Durham, Mobility Plus staff will assist in booking a seamless connection with our neighbouring specialized transit providers. Please call our Mobility Plus Contact Centre at 1-866-744-1119 for all questions regarding cross boundary travel arrangements and eligibility.

Visitors

Mobility Plus will accept any visitor that is registered with any specialized transit authority.

Trip planning

Requesting a trip

Once your eligibility is confirmed and an ID card has been received, a trip can be made. To speak to a Trip Reservationist, please call the Contact Centre between 7 a.m. to 7 p.m. All trip booking requests can be made up to seven days in advance and up until 4 p.m. the day prior to travelling. Try to book your trip as early as possible to receive the best available times. Please keep Mobility Plus up to date with any changes to your contact information.

Please ensure you have the following information ready when booking your trip:

1. Pen, paper and calendar
2. Client ID number stated on your ID card
3. Date and time of travel
4. Time(s) of any appointments so drop-off and pick-up times can be accurate
5. The complete pick-up and drop-off addresses
6. If you will be travelling with a Mandatory Support Person, support person or companion
7. The correct mobility aid or wheelchair
8. If you will be travelling with a service animal or pet

Mobility Plus suggests clients write down their trip booking request to serve as a reminder. The Mobility Plus Contact Centre has call recording for customer service and quality assurance.

To avoid waiting in the queue, we recommend you use the Interactive Voice Response (IVR), web-based booking or mobile app. Customer Service can assist you with these three features over the phone. You must set up your locations with a Trip Reservationist before using the IVR, web-based booking or mobile app.

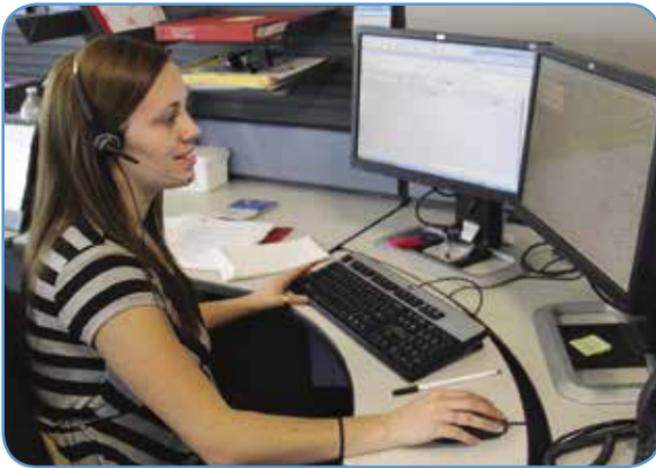

All requested trip booking times will be confirmed two hours prior on the day of travel. Mobility Plus has a call out feature and will call the specified phone number on the profile. You may also use the IVR, web-based booking, mobile app or call the Contact Centre to confirm the scheduled time. You must call the Contact Centre to set up these features in your profile.

Passengers must be waiting at the first set of accessible doors, and be ready to board the vehicle at the confirmed time. Drivers will not buzz passengers in apartments. Please also ensure the location you are travelling to is open, as the driver will not be able to wait.

Standing orders

If a trip is required to the same place at the same time at least once a week for a period of six weeks or more, a standing order may be an option. Please note that all standing orders will be cancelled on statutory holidays. Trips needed on holidays must be booked in advance.

Once a standing order is set up, clients will not have to call and arrange a trip. Confirmation for the exact pick-up time is still required by the call-out feature, IVR, web-based booking or mobile app. It is the client's responsibility to cancel the trips. Clients who cancel 50 per cent or more of their standing order trips within a one month period will be contacted by Mobility Plus to find out if their travel needs have changed. If the high cancellation rate continues, we will ask the client to book individual trips instead. These clients may re-apply for a standing order after 90 days. If you need to change the time slots of your standing order trips, please call us to make adjustments.

Tips for requesting trips

- Call seven days in advance
- Allow extra travel time as trips are scheduled on a shared ride basis. The vehicle may stop to allow other passengers on and off the vehicle before reaching your destination. In addition, travel times may vary due to traffic, road construction, accidents or bad weather
- Consider a Mandatory Support Person. Please be advised, passengers will be left in the vehicle unattended when the driver assists other passengers to and from the door. The driver cannot wait until someone arrives. If a passenger cannot be left alone in the vehicle or at the destination, please arrange for a Mandatory Support Person
- Flexibility. Mobility Plus may not be able to accommodate the exact trip request time. Mobility Plus is a shared ride service and has a 45-minute scheduling window depending on the booking request
- Be ready. The driver can only wait five minutes past the scheduled time. Passengers must be ready five minutes prior to the confirmed pick-up time to keep the driver and other passengers on schedule
- If the vehicle is 15 minutes late or more, please call the Mobility Plus Contact Centre
- Choose locations close to home, as this will reduce travel time, cost and allow additional trip bookings for other clients

- Carry snacks or required medication in case of a travel delay
- Ensure all your contact information is up to date

Cancelling a trip

Clients must cancel their trip if they no longer require it. Giving Mobility Plus as much notice as possible will allow additional availability for your fellow passengers. It is important to contact Mobility Plus no later than two hours prior to your scheduled time. Clients can cancel by phone, on the IVR, on the web-based booking or through the mobile app.

A cancellation is late if it is reported to the Contact Centre two hours or less prior to the scheduled time.

Passengers who cancel late or who do not show at the door without notifying Mobility Plus, will be entered into the Late Cancellation/No-Show Program.

Based on a point system, all late cancellations count as one point and all no-shows count as two points. The return portion of a no-show will automatically be cancelled. If the passenger is not present at the scheduled pick-up time and location, the driver will wait five minutes then place a no-show slip on the first accessible door.

Drivers are not authorized to change or cancel your scheduled trip. Please call the Mobility Plus Contact Centre if you need a same day change or cancellation.

Late cancellations and no-shows

Point-based process in effect

Please note:

- All points will be on a client's record for one year
- Trip cancellations for medical appointments will be reviewed and are at the discretion of the Mobility Plus Supervisor

This process will help improve service for all of our passengers.

How the point system works

The table below outlines various point levels and the resulting steps that will be taken by Mobility Plus.

Demerit Points	Next Steps by Mobility Plus
6 points	A formal letter documenting your late cancellations and/or no shows.
12 points	Customer is unable to use Mobility Plus services for two days.
18 points	Customer is unable to use Mobility Plus services for seven days.
24 points	Customer is unable to use Mobility Plus services for 30 days. A phone interview with Mobility Plus will be required to review their service needs.
30 points	Customer is unable to use Mobility Plus services for 60 days. A phone interview with Mobility Plus will be required to review their service needs.
36 points	Customer is unable to use Mobility Plus services for 90 days. A phone interview with Mobility Plus will be required to review their service needs.

- All late cancellations are counted as one point and all no-shows are counted as two points
- Points will be doubled for round trips that are no-shows or late cancellations

Family of Services

The YRT Family of Services integrates conventional services with specialized transit to promote independence, inclusion, integration and self-sufficiency in the passenger. The Accessibility for Ontarians with Disabilities Act (AODA) requires Mobility Plus to have three levels of eligibility.

Unconditional eligibility: A person with a disability that prevents them from using conventional transportation services.

Temporary eligibility: A person with a temporary disability that prevents them from using conventional transportation services.

Conditional eligibility: A person with a disability where environmental and physical barriers limit their ability to consistently use conventional transportation services.

As per the AODA, a specialized transportation provider may deny requests for specialized transportation services to persons categorized as having temporary eligibility or conditional eligibility if the conventional transportation service is accessible to the person and the person has the ability to use it.

Many clients have conditional eligibility (MP-1FS, MP-1FSA, MP-1FST). For clients with conditional eligibility, Mobility Plus will provide trip plans based on the limitations and geography of the origin and destination. Service will be provided on a trip-by-trip basis, depending on the client's eligibility limitations, using:

- Regular conventional public transit (YRT, Community Bus, etc.)
- A combination of Mobility Plus and conventional public transit (family of services)
- Specialized transit service - Mobility Plus

When clients with the family of services status call in to book a trip, staff will determine which type of service is required using your profile and the scheduling software. You may be required to use conventional service for all or part of your trip. In some instances, Mobility Plus will take you to a terminal or hub, and then transfer you onto conventional public transit. You will then travel to another terminal or hub, and Mobility Plus will transport you to your destination.

Travel Training

Every client receives travel training from a YRT or Mobility Plus travel trainer on their first family of services trip. The travel trainer will assess your trip and provide additional training if needed to ensure you are able to successfully and comfortably travel on your own using the family of services for all or part of the trip.

All family of services clients are travel trained on the following:

- Bus platforms in the terminals
- Purchasing YRT fare media
- Introductions with the bus operator
- How to board a low floor bus
- How to secure a mobility aid
- Priority seating locations on buses
- Using the stop request button

Travel trainers will meet you at either end of the trip, or travel the entire trip with you if needed. We are committed to ensuring our clients are comfortable travelling on their own using a variety of services.

Clients who must travel with a Mandatory Support Person or support person will go through the same travel training. The client must carry their Mobility Plus ID card or their Support Person Card with them as proof of payment for their Mandatory Support Person/Support Person.

Waiting areas and common lobbies

Mobility Plus has established waiting areas at locations such as hospitals, malls, medical centres, educational institutes, lobbies of apartment buildings and grocery stores. Drivers will use these locations to pick up and drop off passengers. It is important you meet your driver at these locations to ensure you do not miss your trip.

Mobility Plus responsibilities

- Transportation that is safe and on time
- Courteous and professional call centre staff and drivers
- Clean, well-maintained vehicles
- Prompt responses to your questions or concerns
- Door-to-door service to your destination or to and from a terminal with a transfer

Passenger responsibilities

Passengers have a responsibility to use the Mobility Plus service appropriately for the benefit of fellow passengers. When one passenger disrupts the service due to inappropriate use or unrealistic expectations, transportation for other passengers is affected.

Mobility Plus reserves the right to deny service for clients who do not comply with their responsibilities.

- Passengers must show the Mobility Plus ID card to the driver
- Passengers must be secured in the vehicle
- Passengers must be ready for their scheduled time

Emergency procedures

In the event of a medical emergency or a vehicle collision, 911 will always be contacted to ensure the passengers and driver receives the medical attention that is required.

Personal belongings

You are responsible for your personal belongings brought onto the Mobility Plus vehicle. Anything left behind will be returned to lost and found. Please enquire with YRT or Mobility Plus office.

Safety and securement

All passengers are required to wear their seatbelt as per the Highway Traffic Act. Passengers who travel in a wheelchair or scooter will be secured by the driver in the vehicle.

CCTV cameras are installed in all of our vehicles for the safety of the passengers and driver.

Appropriate behaviour

All passengers are expected to use appropriate social behaviour while travelling on Mobility Plus and when interacting with other passengers, drivers, and YRT and Mobility Plus staff. Fighting, throwing objects, pushing, shouting, rough behaviour and vulgar language are all prohibited. For the comfort and health of all passengers, personal hygiene must be maintained within an acceptable standard.

Notice something unusual?

Please contact Mobility Plus immediately if you have noticed something unusual about your trip by calling the Contact Centre or emailing mobilityplusfeedback@york.ca.
