Fare Information

Our two-hour fares let you travel on any YRT vehicle in any direction for two hours with just one fare.

If you begin your trip on a YRT bus (or Brampton Transit or TTC bus operating in York Region) you will need to pay the cash fare, tap a PRESTO card, or show your valid monthly pass or mobile ticket/pass (YRT Pay app).

If you will be transferring to another YRT or Viva route, remember to ask for a transfer when you pay your cash fare. If using PRESTO, your two-hour transfer is placed electronically on the card. If using the YRT Pay app, your mobile ticket/pass acts as your transfer.

Viva operates on a pre-paid, proof-of-payment system. There are no fare boxes on Viva so you must purchase a One Ride fare, tap your PRESTO card or activate your mobile ticket/pass prior to boarding. If you are using a One Ride ticket, the date and expiry time are printed on it at the time of purchase so it does not need to be validated. Hold onto valid fares and transfers, or present your PRESTO card or mobile device (with the Pay app) when Transit Enforcement asks for proof of payment.

Vivastations along the rapidway have a designated area for purchasing or validating fares. After purchasing or validating your fare, you will be able to wait in the Fare Paid Zone to board Viva vehicles. Proof of payment is required inside the Fare Paid Zone. Customers inside the Fare Paid Zone without valid One Ride fares, transfers, PRESTO card or mobile ticket/pass may be subject to a fine or criminal charge.

Transferring to a YRT bus: If using PRESTO, tap your card on the device next to the driver; your continuous travel and transfer is automatically calculated. If using the Pay app, show the driver your activated mobile ticket/pass and tap the screen to show that the fare is valid. If you have a One Ride fare, show that the fare is valid.

Customers travelling without valid proof of payment may be subject to a fine or criminal charge.
